VOLUNTEER JOB DESCRIPTIONS

****WINTER/SPRING VOLUNTEER FORM WILL BE MAILED HOME IN LATE FALL****

SUMMER BAND HELP

We provide treats and games for the kids each week throughout band camp to cool them off and reward them for all their hard work. This simply involves refining and timing what the food items and activities are and setting it up for the kids.

SNEAK PEEK POT LUCK

This is our first get-together as parents of the season. We come together for a massive pot-luck dinner and then we go out to the stadium and watch the kids do the entire show run-through. It's a fun night full of excitement and fellowship. Jobs include coordinating what people are bringing, set-up and tear down.

ANNUAL SHOW OF BANDS

You will also hear this referred to as Band Night. We host 7 other marching bands for our 42nd Annual "Show of Bands" where they perform their half-time shows for all to enjoy. This event is one of our largest fund raisers and takes a small army of band parents to pull off a seamless show. Help is needed parking cars and busses, selling 50/50 raffle tickets, manning the ticket booth, selling programs and helping the guest bands get situated.

UNIFORMS

Our marching band uniforms are one of the largest investments the Band Parents make as a fund-raising entity. Keeping them looking good and wearing well year after year takes deliberate care and planning. Generations of parents have worked this into a terrific system where we just need parents in the simple distribution, inspection and collection process before and after each game. There is also need for some occasional help during the school day to coordinate repairs, alterations and cleaning.

CHAPERONING

Nothing is more important than the safety and well-being of our kids, especially when we travel to away games and other events. We keep an eye on our little darlings as well as assist them with food, water and oversee trips to the restrooms. You will also need to assist with passing out and collecting uniforms if applicable. These are great, well-behaved kids and this job is rarely if ever a chore.

FALL FUNDRAISER (TBD)

More details to come.

HOLIDAY CONCERT

The band parents host a cookie and punch reception after our holiday concert. We need volunteers so set up the tables, make the punch and clean up afterward. Everything is supplied for you.

BAND DADS

The Band Dads are our "roadie crew" who help the directors by loading the truck, setting up and helping tear down after every football game and concert. Affectionately dubbed "the muscle behind the music", the band dads also spearhead other important roles including watering the kids during parades and other away events, annually cleaning the band shell and providing parking for our Show of Bands. Participation is voluntary, we ask you buy a shirt and attend one of our many annual social gatherings throughout the year.
